

Guidance Notes:

- Should you have two EEA nationalities, please provide the identifier of the first nationality listed on the table
- Should you have one EEA and one non-EEA nationality, please provide the identifier of the EEA nationality
- Before providing the alternative identifier (if available), please confirm you do not hold the preferred identifier
- Where CONCAT is listed as the preferred identifier, an automatically generated identifier will be assigned to you based on ESMA guidelines
- For countries not listed, your passport number will be used as the preferred identifier
